**WHEREAS**, the District hereby determines that the Assessments to be levied will not exceed the benefit to the property improved.

\*\* These amounts have been grossed up to include a 4% discount for early payment of assessments and a 3.5% administrative and collection reimbursement and compensation to the County Tax Collector and Property Appraiser.

The public hearing is being conducted pursuant to Chapters 170, 190 and 197, Florida Statutes. A description of the property to be assessed and the amount to be assessed to each piece or parcel of property may be ascertained at the office of the District's Records Office located at 27499 Riverview Center Blvd., #253, Bonita Springs, Florida 34134 (561) 630-4922.

The District is a unit of special-purpose local government responsible for providing infrastructure improvements for lands within the District. The infrastructure improvements ("Improvements") are currently expected to include, but are not limited to, Pond Bank Reconstruction necessitated by the damage Hurricane Irma caused to the District's stormwater improvements, all as more specifically described in the Improvement Plan, on file and available during normal business hours at the address provided above.

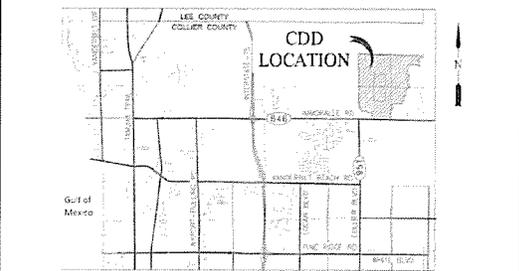

The District intends to impose assessments on benefited lands within the District in the manner set forth in the District's Preliminary Assessment Methodology Report (the "Assessment Report"), which is on file and available during normal business hours at the District Records Office. The Assessment Report identifies each tax parcel identification number within the District and assessments per parcel for each land use category that is currently expected to be assessed. The method of allocating assessments for the Improvements to be funded by the District will be determined by the volume of run off from each property benefited, as set forth in more detail in the Assessment Report. Also, as described in more detail in the Assessment Report, the District's assessments will be levied against all benefiting property within the District. Please consult the Assessment Report for more details.

The annual principal assessment levied against each parcel will be based on repayment over a maximum of fifteen (15) years for the total debt allocated to each parcel. The District expects to collect sufficient revenues to retire not more than \$2,500,000 in debt to be assessed by the District, exclusive of fees and costs of collection or enforcement, discounts for early payment and interest.

The assessments may be prepaid in whole at any time, or may be paid in not more than fifteen (15) annual installments subsequent to the issuance of debt to finance the improvements. These annual assessments will be collected on the Collier County tax roll by the Tax Collector. Alternatively, and subject to bondholder consent, the District may choose to directly collect and enforce these assessments. All affected property owners have the right to appear at the public hearing and the right to file written objections with the District within twenty (20) days of the publication of this notice.

Also on Monday, April 9, 2018, at 10:00 A.M., at The Quarry Beach Club, 8975 Kayak Drive, Naples, Florida 34120, the Board will hold a regular public meeting to consider matters related to the construction of improvements, to consider matters related to a bond issue and special assessments to finance improvements, to consider the services and facilities to be provided by the District and the financing plan for same; and to consider any other business that may lawfully be considered by the District. The Board meeting and hearings are open to the public and will be conducted in accordance with the provisions of Florida law for community development districts. The Board meeting and/or the public hearings may be continued in progress to a date and time certain announced at the meeting and/or hearings. If anyone chooses to appeal any decision of the Board with respect to any matter considered at the meeting or hearings, such person will need a record of the proceedings and should accordingly ensure that a verbatim record of the proceedings is made, which includes the testimony and evidence upon which such appeal is to be based.

Any person requiring special accommodations at the meeting or hearings because of a disability or physical impairment should contact the District Office at (561) 630-4922 at least 48 hours prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service at 1-800-955-8770 for aid in contacting the District office.

**C. ESTABLISH A QUORUM**

It was determined that the attendance of the following Supervisors constituted a quorum and it was in order to proceed with the meeting:

Chairman	Barry J. Demovsky	Present
Vice Chairman	Ronald Rex	Present
Supervisor	Glenn Hollrah	Present
Supervisor	Thomas Oldag	Present
Supervisor	Richard Doll	Present

**D. ADDITIONS OR DELETIONS TO THE AGENDA**

Ms. Dailey requested, and it was consensus of the Board, to add public comments to the end of the meeting since the explanation of the construction bid proposals would be presented first.

**E. APPROVAL OF MINUTES**

**1. March 5, 2018, Special Board Meeting**

The March 5, 2018, Special Board Meeting minutes were presented for approval.

QUARRY COMMUNITY DEVELOPMENT DISTRICT  
SPECIAL BOARD MEETING  
MARCH 20, 2018

A **motion** was made by Mr. Rex, seconded by Mr. Demovsky approving the minutes of the March 5, 2018, Special Board Meeting, as presented. Upon being put to a vote, the **motion** carried 5 to 0.

**F. OLD BUSINESS**

Mr. Haber advised that no proposals had been received for the construction of the Hurricane Irma repairs to the lake banks, so none of the items under New Business were applicable. He noted that, when no responses are received to a public bid, the law allows direct negotiations with contractors rather than using a formal process. The District Engineer indicated that the result of the direct negotiations would be presented at the April 9, 2018, Special Board Meeting. Mr. Demovsky advised that he had conversed with Mr. Evans and Mr. Haber and that there were several companies that wished to bid on portions of the project, but due to the timeline on the original bid, they could not guarantee completing the entire project. He felt that the use of multiple contractors working concurrently would get the entire project completed in a timely manner. Mr. Hollrah asked if the Board would still be able to choose the level of the project and Mr. Demovsky responded that they would. Mr. Demovsky added that there were a few large contractors who do production type work and others that are specialized, so they can work simultaneously.

**G. NEW BUSINESS**

- 1. Review Bid Summary of the Proposals for Constructions Services for Hurricane Irma Repairs**
- 2. Review and Choose Design Option for Hurricane Irma Shoreline Repairs**
- 3. Award of Construction Services for Hurricane Irma Shoreline Repairs**

The above 3 items were deferred to the April 9, 2018, Special Board Meeting.

**H. ADMINISTRATIVE MATTERS**

Ms. Dailey reminded the Board that Monday, April 9, 2018, at 10:00 a.m. was their next meeting.

**I. BOARD MEMBER COMMENTS**

There were no comments from the Board Members.

**J. COMMENTS FROM THE PUBLIC**

Several residents questioned the use of too many contractors instead of giving the responsibility to one company.

QUARRY COMMUNITY DEVELOPMENT DISTRICT  
SPECIAL BOARD MEETING  
MARCH 20, 2018

There was a general discussion on lowering the lake levels and what Heritage Bay is doing toward that end. Ms. Olilla thanked the CDD and the two engineers for working with District resident engineer, Stan Olmland, on the project. She asked about the addendums to the bid documents and Ms. Dailey stated that they had been sent to bidding companies and are available for residents and staff on the District's website. Ms. Olilla added that she would like to see an addendum so the contractors pay for security personnel at the back gate. Chip Harrington asked that Mr. Omland continue to be involved in the process. There was a general discussion on the timing of the repairs before the rainy season and Mr. Omland explained the process. He stated that the plans were in a good state and he is comfortable that one or two contractors would be able to get it done in a workable timeframe. He encouraged residents not to rush the process, as they will get a better product if the District makes sure everything is covered. There was a general discussion regarding docks and the FEMA process. District resident Jerry Solomon advised that he handles finances for the QCA and hoped the Board would not be "penny wise and pound foolish" and should finance the project at the right level. He asked about the likelihood of FEMA reimbursement and suggested getting legal advice on that possibility. Mr. Rex asked Mr. Solomon if the QCA wins its lawsuit, would money be deposited against the bond for the lakes. Mr. Solomon responded that their attorney had advised them that there is a high probability that they will get a settlement and that the funds would not be just for lakes. He furthered that a third party would be brought in to advise on the distribution of funds, but that the lakes would receive a portion. District resident Tim Cantwell asked if it would be better to award a master contract and have that company contract for subs. Mr. Haber noted that it could be done, but one company may not be willing to do that. Mr. Omland added that the master company gets overhead from the subs, so the prices go up. He indicated that it was still an option being considered because the management of the project is easier.

**L. ADJOURNMENT**

There being no further business to come before the Board, the Special Board Meeting was adjourned at 12:10 p.m. on a **motion** made by Mr. Oldag, seconded by Mr. Rex and passed unanimously.

(b) The District is authorized under Chapter 190, *Florida Statutes*, to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, and equip, certain improvements including, but not limited to, roadways, water management and control facilities, recreation, utilities, and other infrastructure improvements, and services necessitated by the development of, and serving lands within the District.

(c) The District is authorized by Chapters 170, 190 and 197, *Florida Statutes*, to levy and impose special assessments to pay all, or any part of, the cost of such infrastructure projects and services and to issue special assessment bonds payable from such special assessments as provided in Chapters 170, 190 and 197, *Florida Statutes*.

(d) It is necessary to the public health, safety and welfare and in the best interests of the District that: (i) the District provide the Pond Bank Reconstruction (the “Project”), the nature and location of which was initially described in Resolution 2018-03 and is shown in the *Supplemental Engineer’s Report for Infrastructure Improvements*, dated March 5, 2018, (the “Engineer’s Report”), a copy of which is attached hereto as **Exhibit A**, the plans and specifications of which are on file in the offices of the District Manager, 2501A Burns Road, Palm Beach Gardens, Florida 33410; (ii) the cost of such Project be assessed against the lands specially benefited by such Project; and (iii) the District issue bonds to provide funds for such purposes pending the receipt of such special assessments.

(e) The provision of the Project, the levying of such special assessments and the sale and issuance of the Series 2018 Bonds serves a proper, essential, and valid public purpose and is in the best interests of the District, its landowners and residents.

(f) In order to provide funds with which to pay the costs of the Project which are to be assessed against the benefitted properties, pending the collection of such special assessments, it is necessary for the District from time to time to sell and issue its bonds, in one or more series, including but not limited to the Series 2018 Bonds.

(g) By Resolution 2018-03, the Board determined to provide the Project and to defray the costs thereof by levying special assessments on benefitted property and expressed an intention to issue its Series 2018 Bonds to provide the funds needed for the Project prior to the collection of such special assessments. Resolution 2018-03 was adopted in compliance with the requirements of Section 170.03, *Florida Statutes*, and prior to the time it was adopted, the requirements of Section 170.04, *Florida Statutes*, had been met.

(h) As directed by Resolution 2018-03, said Resolution 2018-03 was published as required by Section 170.05, *Florida Statutes*, and a copy of the publisher's affidavit of publication is on file with the Secretary of the Board.

(i) As directed by Resolution 2018-03, a preliminary assessment roll was adopted and filed with the Board as required by Section 170.06, *Florida Statutes*.

(j) As required by Section 170.07, *Florida Statutes*, after completion of the preliminary assessment roll, the Board adopted Resolution 2018-04 fixing the time and place of a public hearing at which owners of the property to be assessed and other persons interested therein may appear before the Board and be heard as to (i) the propriety and advisability of the Project, (ii) the cost thereof, (iii) the manner of payment therefore, and (iv) the amount thereof to be assessed against each specially benefited property or parcel and provided for publication of notice of such public hearing and individual mailed notice in accordance with Chapters 170, 190 and 197, *Florida Statutes*.

(k) Notice of such public hearing was given by publication and also by mail as required by Section 170.07, *Florida Statutes*, and affidavits as to such publications and mailings are on file in the office of the Secretary of the Board.

(l) At a public meeting held on April 9, 2018, at the time and place specified in the published notice referred to in paragraph (k) above, the Board met as an Equalization Board, conducted such public hearing and heard and considered all complaints and testimony as to the matters described in paragraph (j) above, and based thereon, has made such modifications (if any) in the preliminary assessment roll as is desirable at this time.

(m) Having considered the estimated costs of the Project and all complaints and evidence presented at such public hearing, the Board of Supervisors of the District further finds and determines that:

(i) the estimated costs of the Project are as specified in the Engineer's Report, which Engineer's Report is hereby adopted and approved, and that the amount of such costs is reasonable and proper;

(ii) it is reasonable, proper, just and right to assess the cost of such Project against the properties specially benefitted thereby using the methods determined by the Board set forth in the *Final Assessment Methodology Report for Series 2018 Bonds*, dated April 9, 2018, attached hereto as **Exhibit B** and incorporated herein by reference (the "Assessment Report"), which results in the special assessments set forth on the final assessment roll;

(iii) it is hereby declared that the Project will constitute a special benefit to all parcels of real property as listed on said final assessment roll, as further described in the Assessment Report, and that the benefit, in the case of each such parcel, will be equal to or in excess of the special assessments thereon when allocated as set forth in **Exhibit B**; and

(iv) it is in the best interests of the District that the special assessments be paid and collected as herein provided.

(n) On March 5, 2018, the District adopted Resolution 2018-05, which authorized the sale of bonds to pay all or a portion of the Project. Resolution 2018-05 also approved forms of various necessary documents. Under the terms and authority of Resolution 2018-05, the Chairman executed a Commitment Letter of Florida Community Bank, N.A. (the "Bank Proposal"), and on March 16,

2018, executed a Bond Placement Agreement to sell the Series 2018 Bonds. The terms of the Bond Placement Agreement are consistent with the provisions of Resolution 2018-05. The execution by the Chairman of the Bank Proposal and the Bond Placement Agreement is hereby ratified and confirmed.

(o) On March 16, 2018, the District issued the Series 2018 Bonds to fund the Project. Because the cost of the Project may be less than the amount of the construction proceeds generated through the issuance of the Series 2018 Bonds issued, upon completion of the Project, a supplemental resolution shall be adopted that sets for the final principal amount and assessment levels for the Series 2018 Bonds.

**SECTION 3. AUTHORIZATION OF THE PROJECT.** The Project for reconstruction of infrastructure improvements initially described in Resolution 2018-03, and more specifically identified and described in **Exhibit A** attached hereto, is hereby authorized and approved and the proper officers, employees and/or agents of the District are hereby authorized and directed to take such further action as may be necessary or desirable to cause the same to be made following the issuance of the Series 2018 Bonds.

**SECTION 4. ESTIMATED COST OF IMPROVEMENTS.** The total estimated costs of the Project and the costs to be paid by special assessments on all specially benefited property are set forth in **Exhibits A and B**, as such costs shall be supplemented upon the completion of the Project.

**SECTION 5. EQUALIZATION, APPROVAL, CONFIRMATION AND LEVY OF SPECIAL ASSESSMENTS.** The special assessments on the parcels specially benefited by the Project, all as specified in the final assessment roll included in **Exhibit B**, are hereby equalized, approved, confirmed and levied. The District may make such adjustments to parcels listed on the final assessment roll as may be necessary in the best interests of the District as determined by the

Board by subsequent resolution. Any such adjustment in the assessment roll shall be consistent with the requirements of law. In the event the issuance of bonds, including refunding bonds, by the District would result in a decrease of the special assessments, then the District shall, by subsequent resolution, adopted within sixty (60) days of the sale of such bonds at a publicly noticed meeting and without the need for further public hearing, evidence such a decrease and amend the final assessment roll as shown in the Improvement Lien Book to reflect such a decrease.

**SECTION 6. TERMS OF SERIES 2018 BONDS; CONFIRMATION OF MAXIMUM ASSESSMENT LIEN FOR SERIES 2018 BONDS.** The Series 2018 Bonds, in a not to exceed amount of \$2,500,000, shall bear interest at a rate of 3.05% and maturity date of November 1, 2033. The sources and uses of funds of the Series 2018 Bonds shall be as set forth in **Exhibit C**. The debt service due on the Series 2018 Bonds is set forth on **Exhibit D** attached hereto. The lien of the special assessments securing the Series 208B Bonds on the lands assessed shall be the principal amount due on the Series 2018 Bonds, together with accrued but unpaid interest thereon, and together with the amount by which annual assessments are grossed up to include early payment discounts required by law and costs of collection.

Notwithstanding the interest rate set forth above, the bond documents for the Series 2018 Bonds include certain events that will result in a change to the interest rate. Specifically, the bond documents contemplate that: 1) in the event that the Bonds were ever to lose their tax-exempt status, the District would be required to pay a higher interest rate of not to exceed 3.50%; 2) in the event the Maximum Federal Corporate Tax Rate imposed on corporations, pursuant to Section 11(b) of the Internal Revenue Code of 1986, as amended, is amended, the interest rate on the Bonds will increase to such rate as will provide the same tax equivalent yield to the bondholder, but not more than 3.5%; 3) in the event of an occurrence of a loss of Bank Qualified Status, the interest rate on the Bonds

shall be adjusted to a rate not exceeding 3.5%; and 4) in the event of a payment default by the District on the Bonds, the District will be required to pay a Default Rate of 6.86% per annum until the default is remedied. The assessment lien contemplated by this Resolution include the obligation to pay assessments corresponding to these higher interest rates in the event that the Bonds ever meet any of the four specified events and shall apply without further notice to any property owner and without holding a public hearing.

**SECTION 7. ALLOCATION OF ASSESSMENTS SECURING THE SERIES 2018 BONDS.**

(a) The special assessments for the Series 2018 Bonds shall be allocated in accordance with **Exhibit B**. The Assessment Report, considered herein, reflects the maximum terms of the issuance of the District's Series 2018 Bonds. In the event the total cost of the 2018 Project is less than the construction proceeds generated through the issuance of the Series 2018 Bonds, the assessments will be adjusted down accordingly and such adjustment will be reflected in a supplemental resolution. The estimated costs of collection and required gross up for early payment discount of the special assessments for the Series 2018 Bonds are as set forth in the Assessment Report; however, in any given year, such actual costs and required gross up amounts shall be included in the special assessments collected by the District under any method authorized by law.

(b) The lien of the special assessments securing the Series 2018 Bonds is being imposed on that certain benefited property within the District, as more particularly described in the Assessment Report attached hereto. To the extent land is added to the District, the District may, by supplemental resolution, determine such land to be benefited by the Project and reallocate the special assessments securing the Series 2018 Bonds and impose special assessments on the newly added and benefited property.

(c) Taking into account earnings on certain funds and accounts as set forth in the Master Trust Indenture and First Supplemental Trust Indenture, the District shall begin annual collection of special assessments in November of 2018 for the Series 2018 Bonds debt service payment due on May 1, 2019 using the methods available to it by law. Beginning in May of 2019 there shall be \_\_\_\_\_ years of semi-annual installments of interest, as reflected on **Exhibit D**.

**SECTION 8. PAYMENT OF SPECIAL ASSESSMENTS AND METHOD OF COLLECTION.**

(a) The special assessments may be paid in not more than thirty (30) consecutive annual installments of principal and interest. The special assessments may be paid in full without interest at any time within thirty (30) days after the completion of the Project and the adoption by the Board of a resolution by the District accepting the Project; provided, however, that the Board shall at any time make such adjustments by resolution, at a noticed meeting of the Board, to that payment schedule as may be necessary and in the best interests of the District. At any time subsequent to thirty (30) days after the Project has been completed and a resolution accepting the Project has been adopted by the Board, the special assessments may be prepaid in full including interest amounts to the next succeeding interest payment date or to the second succeeding interest payment date if such a prepayment is made within forty-five (45) calendar days before an interest payment date. An owner of property subject to the special assessments may pay all, or a portion once, of the principal balance of such special assessment remaining due at any time if there is also paid an amount equal to the interest that would otherwise be due on such balance on the next succeeding interest payment date for the Series 2018 Bonds or, if prepaid during the forty-five (45) day period preceding such interest payment date, on the second succeeding interest payment date. Prepayment of special assessments does not entitle the property owner to any discounts for early payment.

(b) In no event shall the District collect special assessments pursuant to this Resolution in excess of the total debt service related to the Project, including all costs of financing and interest. The District recognizes that such things as regulatory requirements and market conditions may affect the timing and scope of the development in the District. If any assessment reallocation pursuant to this Resolution would result in special assessments collected in excess of the District's total debt service obligation for the Project, the Board shall by resolution take appropriate action to equitably reallocate the special assessments.

(c) The District hereby certifies the special assessments for collection each year and directs the District Manager to take all actions necessary to meet the time and other deadlines imposed by the Collier County (the "County") for collection and Florida law.

(d) The District intends, unless inapplicable or unavailable or otherwise not in the District's best interests, to collect the special assessments on the benefitted lands using the Uniform Method set forth in Chapter 197, *Florida Statutes*, or any successor statute hereto. The District Manager shall prepare or cause to be prepared each year a tax roll for purposed of effecting the collection of the special assessments and present same to the District Board as required by law. The decision to collect special assessments by any particular method does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion, and subject to any restrictions in the Series 2018 Bond documents, to select collection methods in any given year, regardless of past practices.

(e) If in any year, the District determines it to be in its best interest to directly collect the special assessments, or if the Uniform Method is unavailable, the District Manager is further directed and authorized to take all actions necessary to collect any prepayments of debt when due and to collect the special assessments using methods available to the District authorized by Florida

law. The deposit of all special assessments securing the Series 2018 Bonds collected by the District under any allowable method shall be made in accordance with the provisions of Sections 197.3632 and 197.3635, *Florida Statutes*, and the First Supplemental Indenture dated as of March 1, 2018.

(f) The District Manager shall prepare or cause to be prepared each year a tax roll for purposes of effecting the collection of the special assessments and present same to the Board as required by law.

(g) For each year the District uses the Uniform Method, the District shall enter into an agreement with the County Tax Collector who may notify each owner of a lot or parcel within the District of the amount of the non-ad valorem special assessment imposed on property subject thereto, including interest thereon, in the manner provided in Section 197.3635, *Florida Statutes*.

(h) Notwithstanding the above, in the event the Uniform Method of collecting its special or non-ad valorem assessments is not available to the District in any year, or if determined by the District to be in its best interest, and subject to any restrictions in the Series 2018 Bond documents, the special assessments may be collected as is otherwise permitted by law. The District may, in its sole discretion, collect special assessments by directly assessing landowner(s) and enforcing said collection in any manner authorized by law.

(i) The District shall in November 2018 begin annual collection of special assessments for the Series 2018 Bonds debt service payments using the methods available to it by law. The annual special assessment certified for collection each year shall not be reduced from year to year, except to the extent the costs of collection decrease or the gross up for early payment discount is lowered by law or with respect to the last assessment installment needed to fully retire the Series 2018 Bonds.

(j) In the event a special assessment payment directly collected by the District is not made, the whole assessment, including any remaining partially deferred payments for the year in question if any, as well as future installments of special assessments securing the Series 2018 Bonds, shall immediately become due and payable; shall accrue interest, penalties in the amount of one percent (1%) per month, and all costs of collection and enforcement; and shall either be enforced pursuant to a foreclosure action, or, at the District's discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Any prejudgment interest on delinquent assessments shall accrue at the applicable rate of any bonds or other debt instruments secured by the special assessments.

**SECTION 9. FINALIZATION OF SPECIAL ASSESSMENTS.** When the entire Project has been constructed or otherwise provided to the satisfaction of the Board, the Board shall adopt a resolution accepting the same and determining the actual costs (including financing costs) thereof, as required by Sections 170.08 and 170.09, *Florida Statutes*. Pursuant to the provisions of Section 170.08, *Florida Statutes*, regarding completion of a project funded by a particular series of bonds, the District shall credit to each special assessment the difference, if any, between the amount of special assessments as hereby made, approved and confirmed and the actual costs incurred in completing the Project. In making such credits, no credit shall be given for bond financing costs, capitalized interest, funded reserves or bond discounts. Such credits, if any, shall be entered in the Improvement Lien Book. Once the final amount of special assessments for the entire has been determined, the term "Special Assessment" shall, with respect to each parcel, mean the sum of the costs of the Project.

**SECTION 10. GOVERNMENT PROPERTY; TRANSFERS OF PROPERTY TO UNITS OF LOCAL, STATE, AND FEDERAL GOVERNMENT.** Property owned by units of

local, state, and federal government, and common areas, shall not be subject to the special assessments without specific consent thereto. In addition, property owned by a property owners association or a home owners association that is exempt from special assessments under Florida law shall not be subject to the special assessments. If at any time, any real property on which special assessments are imposed by this resolution is sold or otherwise transferred to a unit of local, state, or federal government (without consent of such governmental unit to the imposition of the special assessments thereon), or to a property owners association or a home owners association that is exempt from special assessments under Florida law (without the consent of such association to the imposition of special assessments thereon), all future unpaid special assessments for such tax parcel shall become due and payable immediately prior to such transfer without any further action of the District.

**SECTION 11. IMPROVEMENT LIEN BOOK.** Immediately following the adoption of this resolution, these special assessments as reflected herein and in **Exhibit B** shall be recorded by the Secretary of the Board of the District in a special book, to be known as the “Improvement Lien Book”. The special assessment or assessments against each respective parcel shown on such final assessment roll and interest, costs and penalties thereon, as hereafter provided, shall be and shall remain a legal, valid and binding first lien on such parcel until paid and such lien shall be coequal with the lien of all state, county, district, municipal or other governmental taxes and superior in dignity to all other liens, titles, and claims.

**SECTION 12. ASSESSMENT NOTICE.** The District’s Secretary is hereby directed to record a Notice of 2018 Assessments in the Official Records of Collier County, Florida, which shall be updated from time to time in a manner consistent with changes in the boundaries of the District.

**SECTION 13. SEVERABILITY.** If any section or part of a section of this Resolution be declared invalid or unconstitutional, the validity, force and effect of any other section or part of a section of this Resolution shall not thereby be affected or impaired unless it clearly appears that such other section or part of a section of this Resolution is wholly or necessarily dependent upon the section or part of a section so held to be invalid or unconstitutional.

**SECTION 14. CONFLICTS.** All resolutions or parts thereof in conflict herewith are, to the extent of such conflict, superseded and repealed.

**SECTION 15. EFFECTIVE DATE.** This Resolution shall become effective upon its adoption.

## 1.0 INTRODUCTION

The Quarry Community Development District (the “District”) is a local unit of special-purpose government organized and existing in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended. The District was established on July 27, 2004, by Ordinance No. 2004-53 (the “Ordinance”) enacted by Collier County to provide for the construction, and/or acquisition, financing, long-term administration and management of certain infrastructure of the Development.

The District anticipates issuing Series 2018 Special Assessment Bonds (the “Bonds”) in the principal amount of not exceeding \$2,500,000 for the purpose of financing all or a portion of the design and construction costs of certain public infrastructure improvements (the “Improvements”) relating to the erosion of the lake banks within the District caused by Hurricane Irma and incidental costs relating thereto (the “2018 Project”). The 2018 Project is more specifically described in the Engineer’s Report dated March 5, 2018 (the “Engineer’s Report”), as may be amended from time to time, prepared by J.R. Evans Engineering, Inc. (the “District’s Engineer”).

The implementation of the Improvements will convey special and peculiar benefits to all the assessable properties within the District. The Bonds to be issued to finance the Improvements will be repaid through the levy of non-ad valorem special assessments on all the assessable property within the District, as described herein.

## 2.0 2018 PROJECT TO BE FUNDED BY THE DISTRICT

The District intends to issue the Bonds that will fund the construction of the 2018 Project that will benefit the assessable lands within the District.

**Table 1** below, as well as **Appendix 4** and **Appendix 5** attached hereto, provides a computation of the annual non-ad valorem assessments that will be assessed, imposed and levied against and peculiar to each assessable residential unit that will be subject to such non-ad valorem special assessments and demonstrates that such non-ad valorem special assessments will provide sufficient revenue to meet the maximum annual debt service requirement for the Bonds. Please note that the numbers in **Table 1** and **Appendix 4** and **Appendix 5** are based on a maximum Bond size of \$2,500,000 and in the event the total cost of the 2018 Project is less than \$2,500,000, the annual assessments illustrated in **Table 1** as well as **Appendix 4** and **Appendix 5** will be adjusted down accordingly. The October 27, 2004 Updated Assessment Methodology prepared for the Quarry Community Development District by Fishkind & Associates, Inc. (the “2004 Assessment Methodology”) describes how the allocation of the cost of the Stormwater Management System is directly related to the volume of run off from each property benefited. The 2004 Assessment Methodology describes that the golf course receives no benefits from the District’s stormwater management system, because the system uses the golf course as part of the facilities for the system itself. **Appendix 7** provides the new proposed Assessment Roll.

All parcels, except for the golf course, within the District receive a benefit, as illustrated in **Table 1**.

<b>Beach Club</b>	10,000 SqFt	\$4,557	\$4,557	\$49,228
<b>Total</b>			\$232,523	

\*Please note that the \$2,500,000 Bond size is a maximum amount and in the event the total cost of the 2018 Project is less than \$2,500,000, the annual assessments will be adjusted down accordingly.

\*\* These amounts have been grossed up to include a 4% discount for early payment of assessments and a 3.5% administrative and collection reimbursement and compensation to the County Tax Collector and Property Appraiser.

In order to assure there is sufficient special assessment revenue to pay the Bonds, the District is required to perform an analysis, which requires a determination of the amount of non-ad valorem assessments assessed, imposed and levied against and peculiar to each product type in order to meet the required debt service on the Bonds (herein the “2018 Assessments”). **Table 1** above illustrates that based on a Bond maximum size of \$2,500,000, the expected interest rate on the Bonds of 3.05% per annum, the maximum annual debt service for the Bonds is \$232,523, which has been grossed up to include a 4% discount for early payment of assessments and a 3.5% administrative and collection reimbursement and compensation to the County Tax Collector and Property Appraiser. Please note that the \$2,500,000 Bond size is a maximum amount used for this report and in the event the total cost of the 2018 Project is less than \$2,500,000, the annual assessments will be adjusted down accordingly.

The maximum estimate of total capital improvements for the 2018 Project is \$2,500,000 which includes funding a debt service reserve account and paying costs of issuance. A detail of the

Engineer's estimate of the total costs of the 2018 Project is included herein as **Appendix 1**. All or a portion of the Improvements comprising the 2018 Project is assumed to be financed by the Bonds which, when issued, will be payable from and secured by the 2018 Assessments levied annually, against benefitted assessable properties within the District. Based on the current market conditions, the total aggregate principal amount of the Bonds for the 2018 Project is shown herein on **Appendix 2**. The proceeds of the Bonds will include a debt service reserve fund and issuance costs, as shown herein on **Appendix 2**.

### **3.0 FUNDING OF IMPROVEMENTS**

To defray the costs of construction of the 2018 Project, the District will impose the 2018 Assessments on benefitted real property within the District. The 2018 Assessments are based on the special and peculiar benefits accruing to such property from the Improvements comprising the 2018 Project. The use of non-ad valorem special assessments has an advantage in that the properties that receive the special benefits from capital projects are the only properties that are obligated to pay for those facilities and services. The capital facilities, which will be funded through these special assessments, include only facilities which may be undertaken by a community development district under Chapter 190, F.S.

Special assessments may be levied only against certain property: (1) for facilities which provide special benefits to such property as distinct from general benefits; (2) only against property which receives that special benefit; (3) in proportion to the benefits received by the properties; and (4) according to fair and reasonable methods that the governing body of the jurisdiction determines. The 2018 Assessments placed upon the benefitted properties within the District must be sufficient to cover the debt service of the Bonds that will be issued for financing the 2018 Project. Such assessments must be fairly and reasonably allocated to the properties being assessed in a manner as described in the 2004 Assessment Methodology and illustrated in **Table 1** and the benefit the properties receive must exceed the burden from such assessments.

### **4.0 MODIFICATIONS AND REVISIONS**

Allocation of costs and benefits, shown herein on **Appendix 3**, for the 2018 Project financed by the District is based on the number of dwelling units and other benefitted property benefited by the Improvements comprising the 2018 Project. Based on a maximum Bond size of \$2,500,000 (which includes a debt service reserve fund and issuance costs), at an interest rate of 3.05%, the maximum annual debt service for the Bonds, as shown herein on **Table 1** and **Appendix 5** under the heading of "Maximum Annual Debt Assessment Per Unit Type", will be approximately \$232,523, which has been grossed up to include a 4% discount for early payment of assessments and a 3.5% administrative and collection reimbursement and compensation to the County Tax Collector and Property Appraiser.

**Reason for Interest Rate Adjustment**

The bond documents for the Bonds will contemplate that: 1) in the event that the Bonds were ever to lose their tax-exempt status, the District would be required to pay a higher interest rate of not to exceed 3.50%; 2) in the event the Maximum Federal Corporate Tax Rate imposed on corporations, pursuant to Section 11(b) of the Internal Revenue Code of 1986, as amended, is amended, the interest rate on the Bond will increase to such rate as will provide the same tax equivalent yield to the Bank, but no more than 3.50%; and 3) upon the occurrence of a loss of Bank Qualified Status, the interest rate on the Bonds shall be adjusted to a rate not exceeding 3.5%. The assessment lien contemplated by this methodology will include the obligation to pay the 2018 Assessments corresponding to these higher interest rates, without further notice to any property owner and without holding a public hearing, in the event that the Bonds are ever to lose their tax-exempt status, lose their Bank Qualified Status or upon a change in the Maximum Federal Corporate Tax Rate. **Table 2** as well as **Appendix 6** shows what the new Maximum Annual Debt Assessment Per Unit and Maximum Annual Debt Per Unit Type are at a 3.5% interest rate, should any of the above referenced events occur.

\* These amounts have been grossed up to include a 4% discount for early payment of assessments and a 3.5% administrative and collection reimbursement and compensation to the County Tax Collector and Property Appraiser.

Please note that should the District default on the payments for the Bonds, the interest rate will be adjusted to the Maximum Legal Rate (as defined in the Indenture). Such interest rate will be applicable for only the duration of the payment default. The assessment lien contemplated by this

methodology includes the obligation to pay this default rate without further notice to any property owner and without holding a public hearing.

It is concluded that the special benefits to each lot or unit within the District and the apportionment of the 2018 Assessments is fair and reasonable. It is also concluded that the 2018 Assessments to be levied will not be in excess of the special benefits peculiar to the property as apportioned.

Certain financing, development, and engineering data was provided by members of District staff and/or consultants. The allocation methodology described herein was based on information provided by those professionals. Special District Services, Inc. makes no representations regarding said information beyond restatement of the factual information necessary for compilation of this report.

**COMPOSITE EXHIBIT B**  
**PROCUREMENT PROCEDURES FOR OWNER PURCHASED MATERIAL**

1. Purchase Requisition Request Forms. At least ten calendar days prior to CONTRACTOR ordering construction materials, CONTRACTOR shall prepare and forward to OWNER a separate Purchasing Requisition Request Form for each supplier in the form attached hereto as **Attachment 1**, specifically identifying the construction materials which CONTRACTOR plans to order from each supplier so that OWNER may, in its sole discretion, elect to purchase directly such construction materials.

2. Purchase Orders. After receipt of the Purchasing Requisition Request Form, the OWNER shall prepare Purchase Orders in the form attached hereto as **Attachment 2**, for construction materials which the OWNER wishes to purchase directly.

Purchase Orders shall require that the supplier provide required shipping and handling insurance. Purchase Orders shall also require the delivery of the Owner Purchased Materials on the delivery dates provided by the CONTRACTOR in the Purchasing Requisition Request Form. Pursuant to the Purchase Order, the supplier will deliver to the CONTRACTOR the required quantities of Owner Purchased Materials at the price established in the supplier's quote less any associated sales tax.

3. Certificate of Entitlement. The OWNER shall execute a separate Certificate of Entitlement for each Purchase Order in the form attached hereto as **Attachment 3**, and furnish a copy of same to the supplier and to the CONTRACTOR in accordance with section 4. Each Certificate of Entitlement must have attached thereto the corresponding Purchase Order.

Each Certificate of Entitlement shall acknowledge that if the Department of Revenue determines the purchase is not a tax exempt purchase by a governmental entity, then the governmental entity will be responsible for any tax, penalties and interest determined to be due.

Each Certificate of Entitlement shall affirm that (1) the attached Purchase Order is being issued directly to the vendor supplying the tangible personal property the CONTRACTOR will use in the identified public works; (2) the vendor's invoice will be issued directly to the governmental entity; (3) payment of the vendor's invoice will be made directly by the governmental entity to the vendor from public funds; (4) the governmental entity will take title to the tangible personal property from the vendor at the time of purchase or of delivery by the vendor; and (5) the

governmental entity assumes the risk of damage or loss at the time of purchase or delivery by the vendor.

4. Transmission of Certificate of Entitlement and Attached Purchase Order. At least two calendar days prior to CONTRACTOR placing OWNER'S order for the construction materials, OWNER shall forward each Certificate of Entitlement, together with the attached Purchase Order, to CONTRACTOR and to supplier. Promptly upon receipt of the Owner Purchased Materials specified in each Purchase Order, CONTRACTOR shall verify the purchase of the Owner Purchased Materials in accordance with the terms of the Purchase Order and in a manner to assure timely delivery of the Owner Purchased Materials.

5. Notice of Reduction in Contract Price. On or about the last business day of each month, OWNER shall deliver to the CONTRACTOR a Notice of Reduction in Contract Price (hereinafter "Notice"). Each Notice shall list all Owner Purchased Materials for the respective month and the total price for all such construction materials, plus all sales taxes which would have been associated with such construction materials had the CONTRACTOR purchased the construction materials. Each Notice may also include the total price and sales tax (had CONTRACTOR purchased) for any previously purchased Owner Purchased Materials which for any reason were not previously deducted from the contract price. The contract price will be reduced automatically and as a ministerial task by the amount set forth in each Notice. Each Notice will also reflect the amended contract balance reflecting the deductions taken in said Notice.

The intent of this provision is to cause the contract price to be reduced automatically by the amount OWNER pays for Owner Purchased Materials plus the amount of applicable sales tax that would have been paid for such construction materials, had the CONTRACTOR or any other non-tax exempt entity purchased the construction materials. All savings of sales taxes shall accrue solely to the benefit of OWNER, and CONTRACTOR shall not benefit whatsoever from savings of any such taxes.

6. Payment for Owner Purchased Materials. In order to arrange for the prompt payment to suppliers, the CONTRACTOR shall provide to the OWNER a list indicating the Owner Purchased Materials within 15 days of receipt of said Owner Purchased Materials. The list shall include a copy of the applicable Purchase Orders, invoices, delivery tickets, written acceptance of the delivered items, and such other documentation as may be reasonably required by the OWNER. Upon receipt of the appropriate documentation, the OWNER shall prepare a check drawn to the

supplier based upon the receipt of data provided. OWNER will make payment to each supplier. The CONTRACTOR agrees to assist the OWNER to immediately obtain appropriate partial or final release of waivers.

OWNER shall be responsible for the full payment of all valid and due invoices for Owner Purchased Materials and shall not be entitled to retain the standard ten percent amount of the progress payment due to the CONTRACTOR as is otherwise provided for in the contract documents.

**CONTRACTOR SHALL AFFIRM THAT THE VENDOR SUPPLYING THE OWNER PURCHASED MATERIALS IS NOT ALSO THE INSTALLER OF THE OWNER PURCHASED MATERIALS. CONTRACTOR SHALL FURTHER AFFIRM THAT THE INSTALLER OF THE OWNER PURCHASED MATERIALS DID NOT MANUFACTURE, FABRICATE OR FURNISH THE OWNER PURCHASED MATERIALS.**

7. CONTRACTOR Responsibilities. CONTRACTOR shall be fully responsible for all matters relating to ordering, storing, protecting, receipt, and handling for all construction materials including Owner Purchased Materials, in accordance with these procedures including, but not limited to, verifying correct quantities, verifying documents of orders in a timely manner, coordinating purchases, providing and obtaining all warranties and guarantees required by the contract documents, inspection and acceptance on behalf of the owner of the construction materials at the time of delivery, and loss or damage to the construction materials following acceptance of construction materials, due to the negligence of the CONTRACTOR. CONTRACTOR shall serve as bailee with respect to such Owner Purchased Materials. The CONTRACTOR shall coordinate delivery schedules, sequence of delivery, loading orientation, and other arrangements normally required by the CONTRACTOR for the construction materials furnished including Owner Purchased Materials. The CONTRACTOR shall provide all services required for the unloading, handling and storage of construction materials through installation including Owner Purchased Materials. The CONTRACTOR agrees to indemnify and hold harmless the OWNER from any and all claims of whatever nature resulting from non-payment for Owner Purchased Materials arising from CONTRACTOR actions.

7.1 Inspection and Documentation. As Owner Purchased Materials are delivered to the job site, CONTRACTOR shall visually inspect all shipments from the suppliers, and approve the vendor's invoice for construction materials delivered. The CONTRACTOR shall assure that each

delivery of Owner Purchased Material is accompanied by documentation adequate to identify the Purchase Order against which the purchase is made. This documentation may consist of a delivery ticket and an invoice from the supplier conforming to the Purchase Order together with such additional information as the OWNER may require. All invoices for Owner Purchase Materials shall include the Owner's consumer certificate of exemption number. The CONTRACTOR will then forward all such invoices to the OWNER. On or about the 15th and last day of each month (or the next succeeding business day), CONTRACTOR shall review all invoices submitted by all suppliers of Owner Purchased Materials delivered to the project sites during that month and either concur or object to the OWNER's issuance of payment to the suppliers, based upon CONTRACTOR's records of Owner Purchased Materials delivered to the site and whether any defects or non-conformities exist in such Owner Purchased Materials.

7.2 Warranties, Guarantees, Repairs and Maintenance. The CONTRACTOR shall be responsible for obtaining and managing on behalf of the Owner all warranties and guarantees for all construction materials as required by the contract documents and shall fully warrant all construction materials including all Owner Purchased Materials. OWNER's purchase of various construction materials shall not in any manner impact or reduce CONTRACTOR's duty to warrant said construction materials. The OWNER may forward all repair, maintenance, non-conforming construction materials calls, or any other issues relating to the construction materials to the CONTRACTOR for resolution with the appropriate supplier, vendor, or subcontractor. The CONTRACTOR shall resolve all such calls or issues.

7.3 Records and Accountings. The CONTRACTOR shall maintain records of all Owner Purchased Materials it incorporates into the work from the stock of Owner Purchased Materials in its possession as bailee. The CONTRACTOR shall account monthly to the OWNER for any Owner Purchased Materials delivered into the CONTRACTOR's possession, indicating portions of all such construction materials which have been incorporated into the work.

7.4 Defective or Non-conforming Construction Materials. The CONTRACTOR shall insure that Owner Purchased Materials conform to specifications, and determine prior to incorporation into the work if such construction materials are defective or non-conforming, whether such construction materials are identical to the construction materials ordered, and match the description on the bill of lading. If the CONTRACTOR discovers defective or non-conforming Owner Purchased Material upon such visual inspection, the CONTRACTOR shall not utilize such non-conforming or defective construction materials in the work and instead shall promptly notify

the OWNER of the defective or non-conforming conditions so repair or replacement of such construction materials can occur without any undue delay or interruption to the Project. If the CONTRACTOR fails to adequately and properly perform such inspection or otherwise incorporates into the Project defective or non-conforming Owner Purchased Materials, the condition of which it either knew or should have known by performance of an inspection, CONTRACTOR shall be responsible for all damages to OWNER resulting from CONTRACTOR's incorporation of such construction materials into the project, including liquidated or delay damages.

8. Title. Notwithstanding the transfer of Owner Purchased Materials by the OWNER to the CONTRACTOR's possession as bailee for the OWNER, the OWNER shall retain legal and equitable title to any and all Owner Purchased Materials.

9. Insurance and Risk of Loss. The OWNER shall purchase and maintain Builder's Risk Insurance sufficient to protect against any loss or damage to Owner Purchased Materials. Owner shall be the named insured and such insurance shall cover the full value of any Owner Purchased Materials not yet incorporated into the Project during the period between the time the OWNER first takes title to any such Owner Purchased Materials and the time when the last of such Owner Purchased Materials is incorporated into the project or consumed in the process of completing the Project.

10. No Damages for Delay. The OWNER shall in no way be liable for, and CONTRACTOR waives all claims for, any damages relating to or caused by alleged interruption or delay due to ordering or arrival of Owner Purchased Materials, defects, or other problems of any nature with such construction materials, late payment for such construction materials, or any other circumstance associated with Owner Purchased Materials, regardless of whether OWNER's conduct caused, in whole or in part, such alleged damages. The foregoing waiver by CONTRACTOR includes damages for acceleration and inefficiencies. CONTRACTOR accepts from OWNER as further and specific consideration for the foregoing waivers, OWNER's undertaking to pay for and finance all Owner Purchased Materials.
